## Camp O-AT-KA Second Century Society

Today's commitment  
to tomorrow's Camp

Dear Friends,

In April, 2006, the Board of Directors voted to establish the *Second Century Society*. This informal donor group recognizes alumni, parents and friends who make a commitment to Camp O-AT-KA's future through their wills and other planned giving arrangements.

With the advent of this program, we hope that planned gifts, such as life income trusts, gift annuities, life insurance and other provisions, will become an important source of voluntary financial support for the Camp. These gifts will help provide new or renewed facilities, camperships, and endowments to perpetuate program excellence and growth.

Camp O-AT-KA recognizes the priority of providing for a spouse, children or grandchildren. Gift and estate planning, however, can both achieve a family's financial security and make a deferred, lasting statement at Camp about your cherished values.

Over the years, Camp O-AT-KA has benefited from bequests of alumni and friends. These gifts have enhanced Camp's educational and charitable mission. Now, as Camp enters its second century, we welcome your participation in this exciting initiative.

### Opportunities for Planned Giving

The Second Century Society welcomes all who notify us that they have provided for Camp O-AT-KA through planned giving. Available options include the following:

**Bequest** Gifts by will may designate a specific dollar amount, asset, or a percentage of your estate to Camp.

**Testamentary Trust** All or part of your estate can be left in a trust with income paid to one or more beneficiaries. Upon their deaths, the trust's assets will come to Camp.

**Gift Annuity** In exchange for a gift of cash or securities, Camp will pay you a guaranteed fixed income for your life and that of another beneficiary. A portion of this income is often distributed tax-free.

- **Life Insurance** Gifts of new or unneeded life insurance can provide significant future gifts to the Camp .
- **Other Life Income Gifts** Through a gift to a personal Charitable Remainder Annuity Trust or Unitrust, you and another beneficiary can receive a fixed or variable income for life.
- **Gift of Real Estate with Life Tenancy** You can make a gift of your principal residence to Camp while retaining a life estate in the property — the right to live in the property for the duration of your life.
- **Retirement Plans** Designating Camp as the recipient of the remaining balance in your retirement plan, or placing the balance in a Charitable Remainder Trust for family members' lifetime benefit, creates considerable income and estate tax savings.

- **IRA Rollover Provision** Effective through December 2007, donors who have reached age 70.5 years may contribute up to \$100,000 per year directly to charity from an IRA. This is an opportunity to support Camp from IRA assets while avoiding the normal tax on IRA withdrawals. Call or write for more information.
